**Dear Uday,**

We are on a journey to build the financial ecosystem of the future in an ecologically sustainable way. Our people are at the center of this transformation journey and we are strongly committed to creating an employee experience that is driven by continuous learning, collaboration and opportunities for growth.

Towards this objective, at Sella India Software Services (P) Limited, we are redefining our career framework, to bring in more clarity and simplification across roles. As a result, your new role title would be **Developer** with effect from **01-Sep-2021**.

All other terms and conditions of your employment remain unchanged.

We look forward to your continued dedicated performance and contribution towards your own growth as well as that of the organization in the coming years.
